Taheebo

Product Name: Taheebo, 2 fl. oz. (60 ml)

Item No: 120, single bottle

Characteristics: A liquid, herbal botanical tincture created by soaking the Pau D' Arco tree's inner, purple bark in a solution of 80% water and 20% alcohol. Taheebo delivers:

- 720 mg of Pau D' Arco tree's inner, purple bark extract per each ml.
- The key phytonutrient lapachol.

Benefits: Pau D' Arco tree is the only tree known to man that fungus won't grow on, because it contains many important phytonutrients that for thousands of years have been used as a folk remedy by many South American civilizations.

- Anti-bacterial and anti fungal properties
- Immune system support

Color: Dark chocolate brown

Flavor/Taste: Herbal

Texture: Liquid

Servings per container: 60

Storage/Shelf life:

- **Unopened** – Shelf stable for 18 months when stored at room temperature, sheltered from light and moisture, and product is kept in its original packaging.
- **Opened** – For the best benefits use within 90 days after opening.

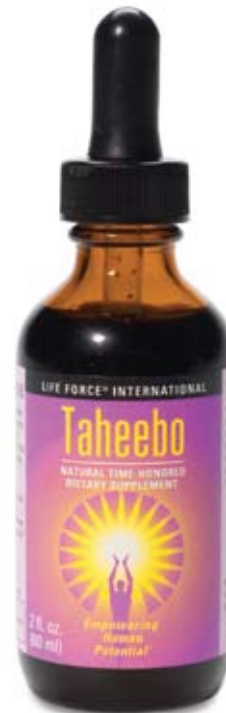

Recommended Daily Intake: Shake well before using. Take 1 dropper full in both the morning and evening. For optimal absorption, take directly under the tongue and hold for 1-2 minutes. One dropper full is one full squeeze of the rubber bulb.

Other Ingredients: Natural Flavor, Citric Acid, less than 0.2% Potassium Benzoate (to preserve freshness) and Purified Water.

General: All of Life Force International products are manufactured following cGMPs in compliance with the US Food and Drug Administration's cGMPs Regulations (21 CFR 110).

Keep out of reach of children. Pregnant or lactating women should consult their healthcare professional prior to using any new product. Satisfaction guaranteed.
