

This rule applies to the entire compensation plan:

The Enrollment and Placement Sponsor for each Member or Customer must be in the same upline leg in order for commissions to pay properly on the orders that person places.

Life Force International Compensation Plan Details

Fast Start Bonus

The Fast Start Bonus of 55% will be paid to the Enrollment Sponsor on all First Time Orders (FTO) up to 224 BV. All new business volume that is over 224 BV will be paid on the monthly commission schedule.

Enroller Qualification Requirements:

- The Enrollment Sponsor must be on Autoship of 25 BV or greater and have a qualifying order processed to receive the 55% Fast Start Bonus.
- If the Enroller does not meet their qualification for payment of the Fast Start Bonus, the Fast Start Bonus will be rolled up the enrollment sponsor tree and paid to the next qualified member.
- The Fast Start Bonus will be paid on both customers and members.
- There is no time limit on a member earning Fast Start Bonuses.

A **Current Member** must have an Autoship set up in the current month and an Autoship order processed in the prior month to qualify for Fast Start Bonuses.

A **New Member** (registering in the current month) must have a First Time Order in the same month, and an Autoship set up in the current and following month, to receive Fast Start Bonuses.

A New Member's First Time Order (FTO) must be placed within the same week they register to qualify for Fast Start Bonuses for that week.

A Current Customer that upgrades to Member status must have an order processed in the previous month, or earlier in the same month they upgrade to Member status to qualify for Fast Start Bonuses for that week.

Fast Start Enroller Payout Example:

Member On	Enrolls in 1 week	With FTO	%	Fast Start Bonus
25+ BV Autoship	3 Members or Customers	100 BV	55%	\$165

In light of up to 55% of BV between FSB and additional bonuses being paid on First Time Orders, other upline commissions will not be paid unless the total BV is greater than 224. The amount over 224 BV will be paid on the monthly commission schedule.

First Time Orders by new members or customers do count for all rank qualification and advancement qualification purposes.

Qualification & Pay Periods:

The Fast Start Bonus will pay weekly on Fridays.

This means a member can receive up to 5 checks each month from Life Force.

The qualification period for Fast Start begins on Monday at 12:01 a.m. and runs until Sunday 12:00 p.m. PT.

Fast Start payments will be processed two weeks after the qualification period.

Achievers Club

The Achievers Club is designed to reward an unlimited number of members, ranked A3 and above, on First Time Orders (FTO). The total bonus pool consists of 15% of total monthly FTO volume (excluding GotMy3 volume), and is paid on a pro-rata basis. Additionally, the bonus can be earned on 5 separate tiers of BV.

Bonus Payout:

- Achievers Club pays monthly.
- Additional incremental rewards within the total pool of 15% of monthly FTO (excluding GotMy3 volume) are split into 5 tiers of pools.
 1. 750 FTO BV 6%
 2. 1500 FTO BV 3%
 3. 3000 FTO BV 2%
 4. 5000 FTO BV 2%
 5. 10,000 FTO BV 2%
- The 750 tier is paid out on a hybrid (30% equal shares : 70% pro-rata)
- All other tiers are paid pro-rata

Enroller Qualifications:

- The Enrollment Sponsor must be on minimum Autoship of 95 BV and have a minimum 95 BV qualifying order processed in the month.
- Must be the Enrollment Sponsor of a minimum of 750 BV in First Time Orders*
**Note: Only the first 224 BV of a single First Time Order counts toward the bonus*

Residual Bonus

The Life Force Compensation Plan has 3 Options that a member can choose from to qualify for Residual Bonus commissions each month.

Qualification is based on an uncompressed genealogy. Payment of commissions is based on the

compressed genealogy.

Please note: A qualifying order must be placed in the volume period to prevent compression from happening. If a qualifying order is not placed, then all orders below that order will compress up for payout purposes.

Qualification Requirements & Pay Period:

A Member can qualify to earn Residual Bonuses every calendar month. Residual Bonuses are paid monthly. Life Force pays checks on the 10th of each month for the prior month's business.

The following are the 3 option choices:

	1st Level	2nd Level	3rd Level	Personally Enrolled, 1st Level Customer*
Associate 1 25 BV (Option 1)	5%	20%	0%	25%
Associate 2 50 BV Autoship (Option 2)	5%	25%	0%	30%
Associate 3 95 BV Autoship (Option 3)	5%	40%	10%	45%

Volume from personal orders will count towards total group volume qualification requirements.

Qualified Associate 3 and above earn at Option 3 level

* Customers personally enrolled, 1st level after May 1, 2010 will payout the listed percentage.
See Customer Program section below for full details.

Customer Program

New personally enrolled first level Customers registered on or after May 1st 2010, will pay out as follows:

A Member can sign up a Customer on their first level. The Member must be the Placement and Enrollment Sponsor for the new customer.

Payout to the Enroller and Placement Sponsor on the Customer's orders is as follows:

1. FSB of 55% is paid on the customers First Time Order (FTO) to the Enrollment Sponsor if qualified; please see FSB bonus details above.
2. All subsequent orders would pay out:
 - a. 45% paid to the Placement Sponsor qualified as A3 or above
 - b. 30% paid to the Placement Sponsor qualified as A2
 - c. 25% paid to the Placement Sponsor qualified as A1
3. For Residual payout on subsequent orders after the first time order (FTO) 10% is paid to the next qualified associate 3 upline (above Customer's Placement Sponsor), then infinity as normal.

Payout example based on Bob and Jack being qualified at A3:

Jack enrolled Bob first level. Bob enrolls Sue as a first level Customer. Sue has a 95 BV FTO in January and a 95 BV order in February.

- Bob earns FSB of 55% on Sue's January FTO
- Bob earns 45% on Sue's February order
- Jack earns 10% on Sue's February order

- Jack's upline sponsor tree earns the regular Infinity payout on Sue's February order

When a Customer upgrades to Member status they will remain first level to their Enroller. The status change will change the payout on the upgraded Customer order to pay the regular 5% first level Residual payout.

- The upgraded Customer can be moved within 3 full calendar months from the time of upgrade per Policy 20D of the Policy and Procedures Agreement. See policy for full details.

The Customer will be first level to their Enroller, therefore the customers BV will count as first level BV for qualification purposes. Their BV will count as normally for all bonuses and level qualifications.

Infinity Bonus

The Life Force Infinity Bonus pays on multiple levels. A total of 14% BV (excluding GotMy3 volume) is paid out to qualified members.

Level	Bronze	Silver	Gold	Platinum	Diamond
4 +	2%	4%	6%	10%	14%

Bronze Qualification:

- Must have a 95 BV Autoship established in the current commission period and have a qualifying order processed in the current commission period.
 - Must be the enrollment sponsor for one 1st Level Member on a 95 BV Autoship **OR** be the enrollment sponsor for 200 BV Total 1st Level Autoship Volume. (The 200 BV can be made up of customer or member Autoship volume.)
 - A maximum of 100 BV will be counted per member or customer for 1st level qualification purposes.
 - Must have a minimum of 1,000 BV in 6 level uncompressed volume. Volume from personal orders will count towards total group volume qualification requirements.

A qualified Bronze can earn **2% on the 4th level**.

Silver Qualification:

- Must have a 95 BV Autoship established in the current commission period and have a qualifying order processed in the current commission period.
 - Must be the enrollment sponsor for two 1st Level Members, each on a 95 BV Autoship **OR** be the enrollment sponsor for 400 BV Total 1st Level Autoship Volume. (The 400 BV can be made up of customer or member Autoship volume.)
 - A maximum of 100 BV will be counted per member or customer for 1st level qualification purposes.
 - Must have a minimum of 2,500 BV in 6 level uncompressed volume. Volume from personal orders will count towards total group volume qualification requirements.

A qualified Silver can earn **4% on the 4th level**.

Gold Qualification:

- Must have a 95 BV Autoship established in the current commission period and have a qualifying order processed in the current commission period.
 - Must be the enrollment sponsor for three 1st Level Members, each on a 95 BV Autoship **OR** be the enrollment sponsor for 600 BV Total 1st Level Autoship Volume. (The 600 BV can be made up of customer or member Autoship volume.)
 - A maximum of 100 BV will be counted per member or customer for 1st level qualification purposes.
- Must have a minimum of 6,000 BV in 6 level uncompressed volume. Volume from personal orders will count towards total group volume qualification requirements.

A qualified Gold can earn **6% on the 4th level.**

Platinum Qualification:

- Must have a 95 BV Autoship established in the current commission period and have a qualifying order processed in the current commission period.
 - Must be the enrollment sponsor for three 1st Level Members, each on a 95 BV Autoship **OR** be the enrollment sponsor for 600 BV Total 1st Level Autoship Volume. (The 600 BV can be made up of customer or member Autoship volume.)
 - A maximum of 100 BV will be counted per member or customer for 1st level qualification purposes.
- Must have a minimum of 10,000 BV in 6 level uncompressed volume. Volume from personal orders will count towards total group volume qualification requirements.

A qualified Platinum can earn **10% on the 4th level.**

Diamond Qualification:

- Must maintain all Platinum qualifications.
- Must have 2 separate qualified Platinum members in two separate legs in your downline organization.

A qualified Diamond can earn **14% on the 4th level.**

For example:

1. If a Diamond has no Bronze, Silver, Gold or Platinums in a specific leg, they would receive a 14% Infinity Bonus on multiple levels (on the 4th level and beyond) in that specific leg.
2. If a Diamond has a Platinum in one of their legs and a Gold under the Platinum in that same leg, then the Diamond is paid 14% down to the Platinum's 4th level and 4% on the Platinum's 4th level and beyond. This is because on the Platinum's 4th level they begin to earn the Infinity Bonus themselves (14% less 10% = 4%). The Platinum is also paid 10% down to the Gold's 4th level and 4% on the Gold's 4th level and below. Once again, this is because on the Gold's 4th level, the Gold member begins to earn the Infinity Bonus (10% less 6% = 4%).

Generational Power Bonus

The Generational Power Bonus is a leadership development bonus rewarding those members that achieve 1 Star Diamond or above. As a qualified 1, 2, or 3 Star Diamond, Crown Diamond, or Royal Crown Diamond, you are eligible to receive generational bonuses.

A generation is different than a level. A generation is created each time a new Diamond occurs

anywhere in your downline. The generation will begin with that Diamond and continue down through the organization until another Diamond is reached. As a qualified 1 Star Diamond or above you are eligible to receive generational bonuses on up to 8+ generations of Diamonds.

The Generational Power Bonus is a pool bonus of 12% of total company BV (excluding GotMy3 volume). This bonus pays out pro-rata to all 1 Star Diamonds and above based on the following mathematical model:

- Diamond legs are sorted in descending order from largest (leg #1) to smallest based on total organizational volume.
- Each leg is treated differently in terms of how much volume that leg contributes to the member's pro-rata score or calculation.
- Horizontal compression moves all non-generational BV legs into the 1st generation of the smallest Diamond leg.

Generation leg percentage calculation diagram:

	Descending order largest (Leg #1) to smallest			
	Leg #1	Leg #2	Leg #3	Leg #4 +
Generation 1	100%	100%	100%	100%
Generation 2	100%	100%	100%	100%
Generation 3	75%	100%	100%	100%
Generation 4	50%	75%	100%	100%
Generation 5	40%	75%	100%	100%
Generation 6	30%	50%	75%	100%
Generation 7	20%	40%	50%	100%
Generation 8+	10%	30%	40%	100%

Note: All volume is unencumbered.

Generational Power Bonus Ranks and Qualifications:

1 Star Diamond:

- Must maintain Diamond qualifications.
- Must have 1 Diamond anywhere in your downline organization.

A qualified 1 Star Diamond will earn on up to 8+ generations based on their calculated pro-rata score (see Generation diagram for Leg volume contribution).

2 Star Diamond:

- Must maintain Diamond qualifications.
- Must have 2 Diamonds in your downline organization.

A qualified 2 Star Diamond can earn on up to 8+ generations based on their calculated pro-rata score (see Generation diagram for Leg volume contribution).

Note: To earn on generation 2, the 2nd qualified Diamond in your downline organization must be in the downline of the 1st qualified Diamond.

3 Star Diamond:

- Must maintain Diamond qualifications.
- Must have a minimum of 3 Diamonds in 2 separate legs in your downline organization.

A qualified 3 Star Diamond can earn on up to 8+ generations based on their calculated pro-rata score (see Generation diagram for Leg volume contribution).

Crown Diamond:

- Must maintain Diamond qualifications.
- Must have a minimum of 6 Diamonds in 3 separate legs in your downline organization.

A qualified Crown Diamond can earn on up to 8+ generations based on their calculated pro-rata score (see Generation diagram for Leg volume contribution).

Royal Crown Diamond:

- Must maintain Diamond qualifications.
- Must have a minimum of 3 Crown Diamonds in 3 separate legs in your downline organization.

A qualified Royal Crown Diamond can earn on up to 8+ generations based on their calculated pro-rata score (see Generation diagram for Leg volume contribution).

Reminder: A generation is created when a qualified Diamond has another qualified Diamond in their downline.

Revenue Sharing Bonus

Life Force offers two revenue sharing bonus pools that a member can qualify to participate in. These pools are the 3 Star Diamond Revenue Sharing Bonus and the Crown Diamond Revenue Sharing Bonus. Participation in the Revenue Sharing Bonuses is conditional upon signature and compliance with the Life Force Ambassador Agreement. Details on qualifications and payout are detailed below.

Important Note:

If any one household has 2 positions participating in the Revenue Sharing Bonus pools, the second position will participate at 40%.

Potential scenarios:

- **Both the first and second position qualifies to participate in the 3 Star Diamond Revenue Sharing Bonus pool. The first position will participate at 100% of BV and the second position will participate at 40% of BV.**
- **The first position qualifies to participate in the Crown Diamond Revenue Sharing Bonus pool and the second position qualifies to participate in the 3 Star Diamond Revenue Sharing Bonus pool. The first position will participate at 100% of BV in the Crown Diamond pool, and the second position will participate at 40% of BV in the 3 Star Diamond pool.**

Once a position is designated as participating at 40%, the position will always participate at 40%, regardless of whether the position is sold or transferred.

The second position is defined as the position that was registered after the first position. Please see Life Force International's Policy and Procedures for further definition of second position.

3 Star Diamond Revenue Sharing Bonus

The 3 Star Diamond Revenue Sharing Bonus is paid monthly and payout is based on 70% of the pool being divided equally among all participants and 30% divided pro-rata shares earned by qualified 3 Star Diamonds.

Points accumulated for shares are calculated in the following manner:

- Diamond legs are sorted in descending order from largest (Leg #1) to smallest based on total organizational volume.
- Each leg is treated differently in terms of how much volume that leg contributes to the member's pro-rata score or calculation. See diagram below.

Largest (Leg #1)

Leg #1	Leg #2+
50%	100%

The 3 Star Revenue Sharing Bonus pool receives 2% of total company BV (excluding GotMy3 volume).

Crown Diamond Revenue Sharing Bonus

The Crown Diamond Revenue Sharing Bonus is paid monthly and payout is based on 70% of the pool being divided equally among all participants and 30% divided pro-rata shares earned by qualified Crown Diamonds.

Points accumulated for shares are calculated in the following manner:

- Diamond legs are sorted in descending order from largest (Leg #1) to smallest based on total organizational volume.
- Each leg is treated differently in terms of how much volume that leg contributes to the member's pro-rata score or calculation. See diagram below.

Largest (leg #1)

Leg #1	Leg #2	Leg #3+
25%	50%	100%

The Crown Diamond Revenue Sharing Bonus pool receives 3% of total company BV (excluding GotMy3 volume).

Royal Crown Diamonds will continue to participate in the Crown Diamond Revenue Sharing Bonus.

Retail Sales

Life Force members may purchase products at factory direct pricing and resell them. The member may not sell the product below the factory direct price available from the company.

GotMy3 Program - (For Australasia Members Only)

The GotMy3 program includes many additional ways to earn. Visit www.GotMy3.com for complete details on the GotMy3 component of the Life Force Compensation Plan.

Please Note: During the transition period, GotMy3 Spark Packs will count towards personal volume, front line qualifier volume, six-level volume and rank qualification volume under the existing Life Force Compensation Plan. However, Spark Pack volume will only payout through the GotMy3 component of the Life Force Compensation Plan.
