

Product Name: AminoCharge; 100% Instant Whey High Protein Shake; Organic Vanilla Flavor

Item No: 50030; **Single Canister Net Weight:** 2.3 Lbs. (1,050g) **Servings per Container:** 30

Grass Fed Non-GMO Growth Hormone Free No rGBH or rBST Undenatured

Designed for Muscle Strength and Performance!

30 grams of Protein per Single Serving **Recommended for active teens over 15 years and adults alike.**

Our Amino Charge products are made from the highest quality, specially selected and most concentrated whey available on the market (at 80% protein). Our protein is sourced only from dairy cows that have never been fed or injected with any artificial hormones, steroids, growth enhancers or antibiotics.

This superior quality Instant Whey Protein Concentrate (IWPC) is produced via a proprietary filtration process that concentrates undenatured native whey proteins in a highly purified form.

Directions: Can be taken once or twice a day, depending on your daily caloric and protein needs. **Take 1 Serving (2 scoops) 30 minutes before and/or after a workout.**

- Shake gently before use. Combine 2 scoops (35g) with 6-8 oz of chilled water, or with your favorite beverage or fruit.
- Thoroughly mix or blend, for 20-30 seconds in a shaker or blender. For maximum benefits, consume within 15 minutes of mixing.

Spoon stirred: if you don't have time to prepare a protein shake in a blender, no problem! Just add two rounded scoops of product to a glass filled with 6-8 oz of water or your favorite beverage. Then mix it up with a spoon and stir for about 30 seconds or until the powder is completely dissolved.

Maximum Daily Intake: Limit to 2 servings per day. Not to be a sole source of Calories in your daily diet. Use with a healthy diet and exercise program. Must be consumed with appropriate fluid Intake.
